### PLAYER PROFILE

Tom Torrillo, a senior, from Bladensburg, Md. is this year's team captain. A slick ball handler and fine passer, Tommy averaged 5.3 assists per game last season. Tommy also leads the team in free throw percentage, shooting at a .912 clip. Coach Lambert says Tommy's greatest asset is his ability to run the ball club. Tommy will graduate in May as a physical education major and plans a teaching career.

### GAME PROFILE

The Saints and Gulls have split 4 games in the brief series between the schools. This is most likely a rebuilding year as St. Mary's lost 3 first line players from last season's 16-21 club. However, the Saints do have eight returning lettermen and a starting lineup averaging over 6'2. Height is a problem as the taller players are inexperienced.
